Portland, Oregon 97221

### Presidents Report:

2008 – has been a milestone year at Oregon Lacrosse.

Both Youth Organizations have been officially organized with Boards of Directors appointed, Articles of Incorporation, and Bylaws drawn up.

Mr. Bill Lake, Oregon Lacrosse Hall of Fame member, has been elected President of OYLA (Oregon Youth Lacrosse Association).

Ms. Jane Newman has been elected President of the OGYLA, Oregon Girls Youth Lacrosse Association.

Both are representatives on the Chapter Board of Directors in their respective areas and have made significant contributions.

Further development of our Chapter Web page has been another focus this year with additional advertisers providing fund raising opportunities which have come to great use.

### GRANTS:

Over the past year we have continued the support that we have been providing with grants to the Oregon Lacrosse Officials Association and the Oregon Lacrosse Umpires Association, each received \$450.00 for recruiting programs. Both the Boy's Youth Association and Girls Youth Association have each received \$600.00 per group for training high school players to become youth officials and umpires.

The Chapter is entering its second year with a central office that serves all the constituencies with meeting rooms for Board meetings, and class rooms for officials training.

Portland, Oregon 97221*

This central meeting point for all the various constituencies of the Chapter has been a positive experience in establishing a cohesive meeting place for everyone.

The Chapter Web page has become the central focal point for upcoming events, clinics and other pertinent information such as coach wanted ads. Board meeting minutes are posted to allow everyone keep up with what the Board is involved in and planning for the future.

T. Vance  
President
