Vice President

Donna Smoot
Secretary

Presidents Report:

2009– was another successful year for the Oregon Chapter.

The core constituencies of the have been functioning well and our overall organization base continues to build a solid foundation for this great sport to continue to grow.

Both Youth Organizations have been developing and growing. Another successful year of recruiting and training of officials and umpires from the high school ranks has been challenging but very rewarding.

Further development of our Chapter Web page has been another focus this year with additional advertisers providing fund raising opportunities which have come to great use.

GRANTS:

Over the past year we have continued the support that we have been providing with grants to the Oregon Lacrosse Officials Association and the Oregon Lacrosse Umpires Association, each received \$450.00 for recruiting programs.

Both the Boy's Youth Association and Girls Youth Association have each received \$600.00 per group for training high school players to become youth officials and umpires.

The Chapter is entering its third year with a central office that serves all the constituencies with meeting rooms for Board meetings, and class rooms for officials training.

This central meeting point for all the various constituencies of the Chapter has been a positive experience in establishing a cohesive meeting place for everyone.

The Chapter Web page has become the central focal point for upcoming events, clinics and other pertinent information such as coach wanted ads. Board meeting minutes are posted to allow everyone keep up with what the Chapter is involved in and planning for the future.

Recruiting new Board members is one of the priorities for the coming year.
